INTRODUCING THE NEW

MG4 EV URBAN

MGMOTOR.COM.AU

SUBSTANCE IS THE STATEMENT

Meet the MG4 EV Urban. Stylishly equipped, spaciously sized and sharpened for the streets. It's the savvy choice of those searching for substance over statements.

10-80% in under 30 minutes*

43/54kWh battery

Up to 405km of range‡

‡ On Essence 54 models only. * Estimated CCs Public Charge Time (10%-80%) / Mins @25°C

SPACE & COMFORT

Inside each MG4 EV Urban is an inviting and atmospheric interior. Intuitive tech is embedded throughout, with storage spaces ready at hand for your convenience. Throw in front heated seats and a leather wrapped heated steering wheel, and suddenly you'll be making excuses just to get behind the wheel again.

- HEATED FRONT SEATS
- UP TO 1266L OF BOOT SPACE
- DOUBLE FLOOR TRUNK STORAGE

THOUGHTFUL SPACE

City cars are usually cramped. This one isn't. Carefully curated storage spots, such as the one under the console means there's space for your every adventure!

Overseas model displayed above

COMFORT BY DESIGN

Settle into heated front seats. The heated steering wheel takes the edge off winter trips alongside the 6-way adjustable driver's seat. Ambient lighting sets the atmosphere, whilst the six speaker audio system fills the cabin with depth and clarity.

PHYSICAL BUTTONS

Physical buttons control the main functions making it tactile, easy and safe to operate on the move.

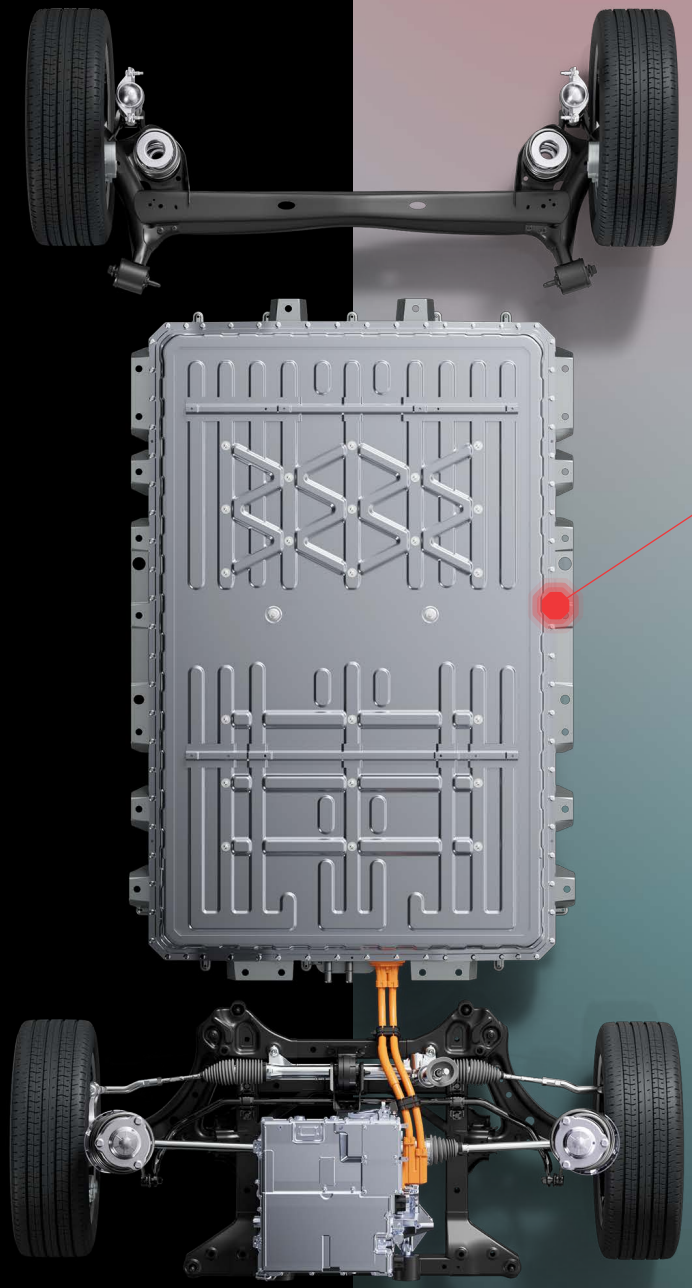
RANGE ANXIETY? NOT HERE.

Up to 405km‡ of range means you are free to roam without any worry. Plus, with a standard heat pump protecting your range in colder weather, you're good to go all year round.

‡ On Essence 54 models only.

RAPID CHARGING

With DC rapid charging, you can charge the 54kWh battery in under 30 minutes. Talk about efficient^.



405km‡ Range (WLTP)‡

THE ALL NEW E3 PLATFORM PAIRS SEAMSLESSLY WITH THE 54KWH BATTERY TO UNLOCK UP TO 405KM‡ OF RANGE.

4 REGENERATIVE BRAKING MODES

‡ Essence 54 variant. Range figures provided are calculated under test conditions. These figures are for comparative purposes only and may not reflect real-life driving results. Actual range may vary depending on various factors such as weather conditions, driving styles, vehicle load, and accessories fitted post-registration. ^10-80% charging time applies to a 150kW Ultra-Fast charger under standardised test conditions. Charging times in real world conditions will vary dependent on a number of factors, including but not limited to the age of battery, charging conditions, temperature and the existing charge of the battery, charger used and duration of charge. Charging times will be increased when using chargers of a lower capacity. Availability of 150kW-capable chargers may be limited depending on your location.

FRONT WHEEL DRIVE

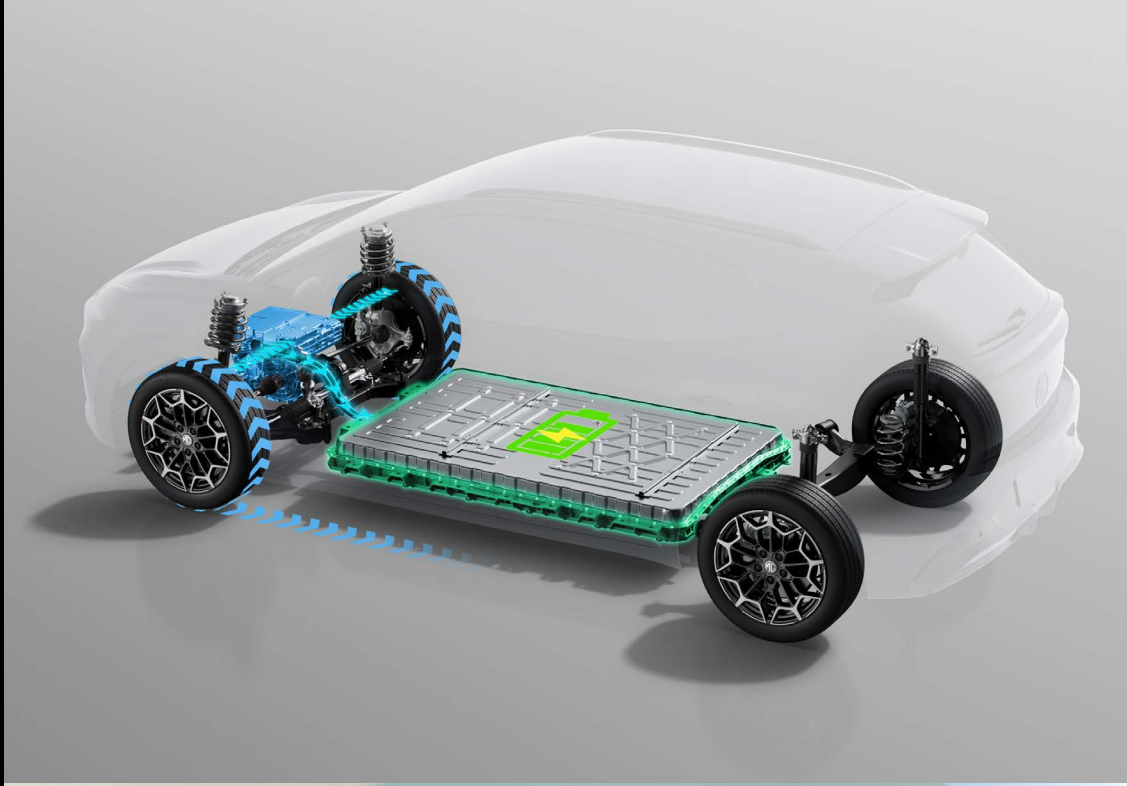
Select from four drive modes – Normal, Sport, Eco, or Custom – each attuned to your rhythm and the road ahead.

OUTSTANDING EFFICIENCY

Each MG4 EV Urban has an integrated thermal management system, intelligently managing heating and cooling whilst minimising energy consumption.

ONE PEDAL DRIVING MODE

The MG4 EV Urban features four regenerative settings, including intuitive one-pedal driving which recovers energy with quiet efficiency.



INTUITIVE TECHNOLOGY

Each MG4 EV Urban keeps your cabin clutter-free with seamless smartphone connectivity, brought to life on the vibrant infotainment screen. When it is time to charge, take a break and scroll our online services such as TikTok and Youtube directly, ensuring you are always entertained while your battery tops up.

12.8 INCH HD TOUCHSCREEN

Designed to be highly intuitive, with simple functionality, the twin screen layout features a crystal clear 12.8-inch HD infotainment touchscreen and a 7" driver display which work in harmony.

QUIET PROTECTION

Safety is the foundation of each MG4 EV Urban, with a 360° Camera equipped for total visibility. Whether you are navigating tight city streets or tucking into a tricky parking spot, you'll have a birds eye view of everything around you, proving total confidence comes standard.

WIRELESS CONNECTION

Wireless connectivity for Apple CarPlay® & Android Auto™ is standard across the range. The MG4 EV Urban integrates apps seamlessly so Spotify, Amazon Music, YouTube, and TikTok are ready to entertain whilst your phone wirelessly charges*.

PILOT

DRIVER SAFETY TECHNOLOGY

SILENT PROTECTION

You cannot predict city traffic. But you can always be better prepared for it. Each MG4 EV Urban comes equipped with our dynamic MG Pilot ADAS system, as well as 7 airbags as standard. Total peace of mind.

MG Pilot is an advanced suite of driver assistance systems to anticipate what lies beyond your sightline and the Custom function allows you to personalise your preferred settings and recall them easily with each drive.

Active Emergency Braking, Lane Departure Warning, Adaptive Cruise Control, and Blind Spot Detection all monitor vigilantly with your safety in mind, allowing you to focus entirely on enjoying the journey ahead.

♯ Range figure is based on WLTP (Worldwide Harmonized Light Vehicle Test Procedure) static laboratory combined average city and highway cycle test. Figures stated for the purposes of comparison amongst vehicles tested to the same technical procedures only. Actual real world driving results will vary depending on a combination of driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions.

* 1 MG iSMART is provided as a complimentary service for the first 12 months from your purchase date of a new MG vehicle. After this period, you are responsible for payment of any service or licence charges MG may introduce. If charges are implemented, you will receive at least 60 days' notice
